## PENNELI BOLDRINI SRL foundation and activity

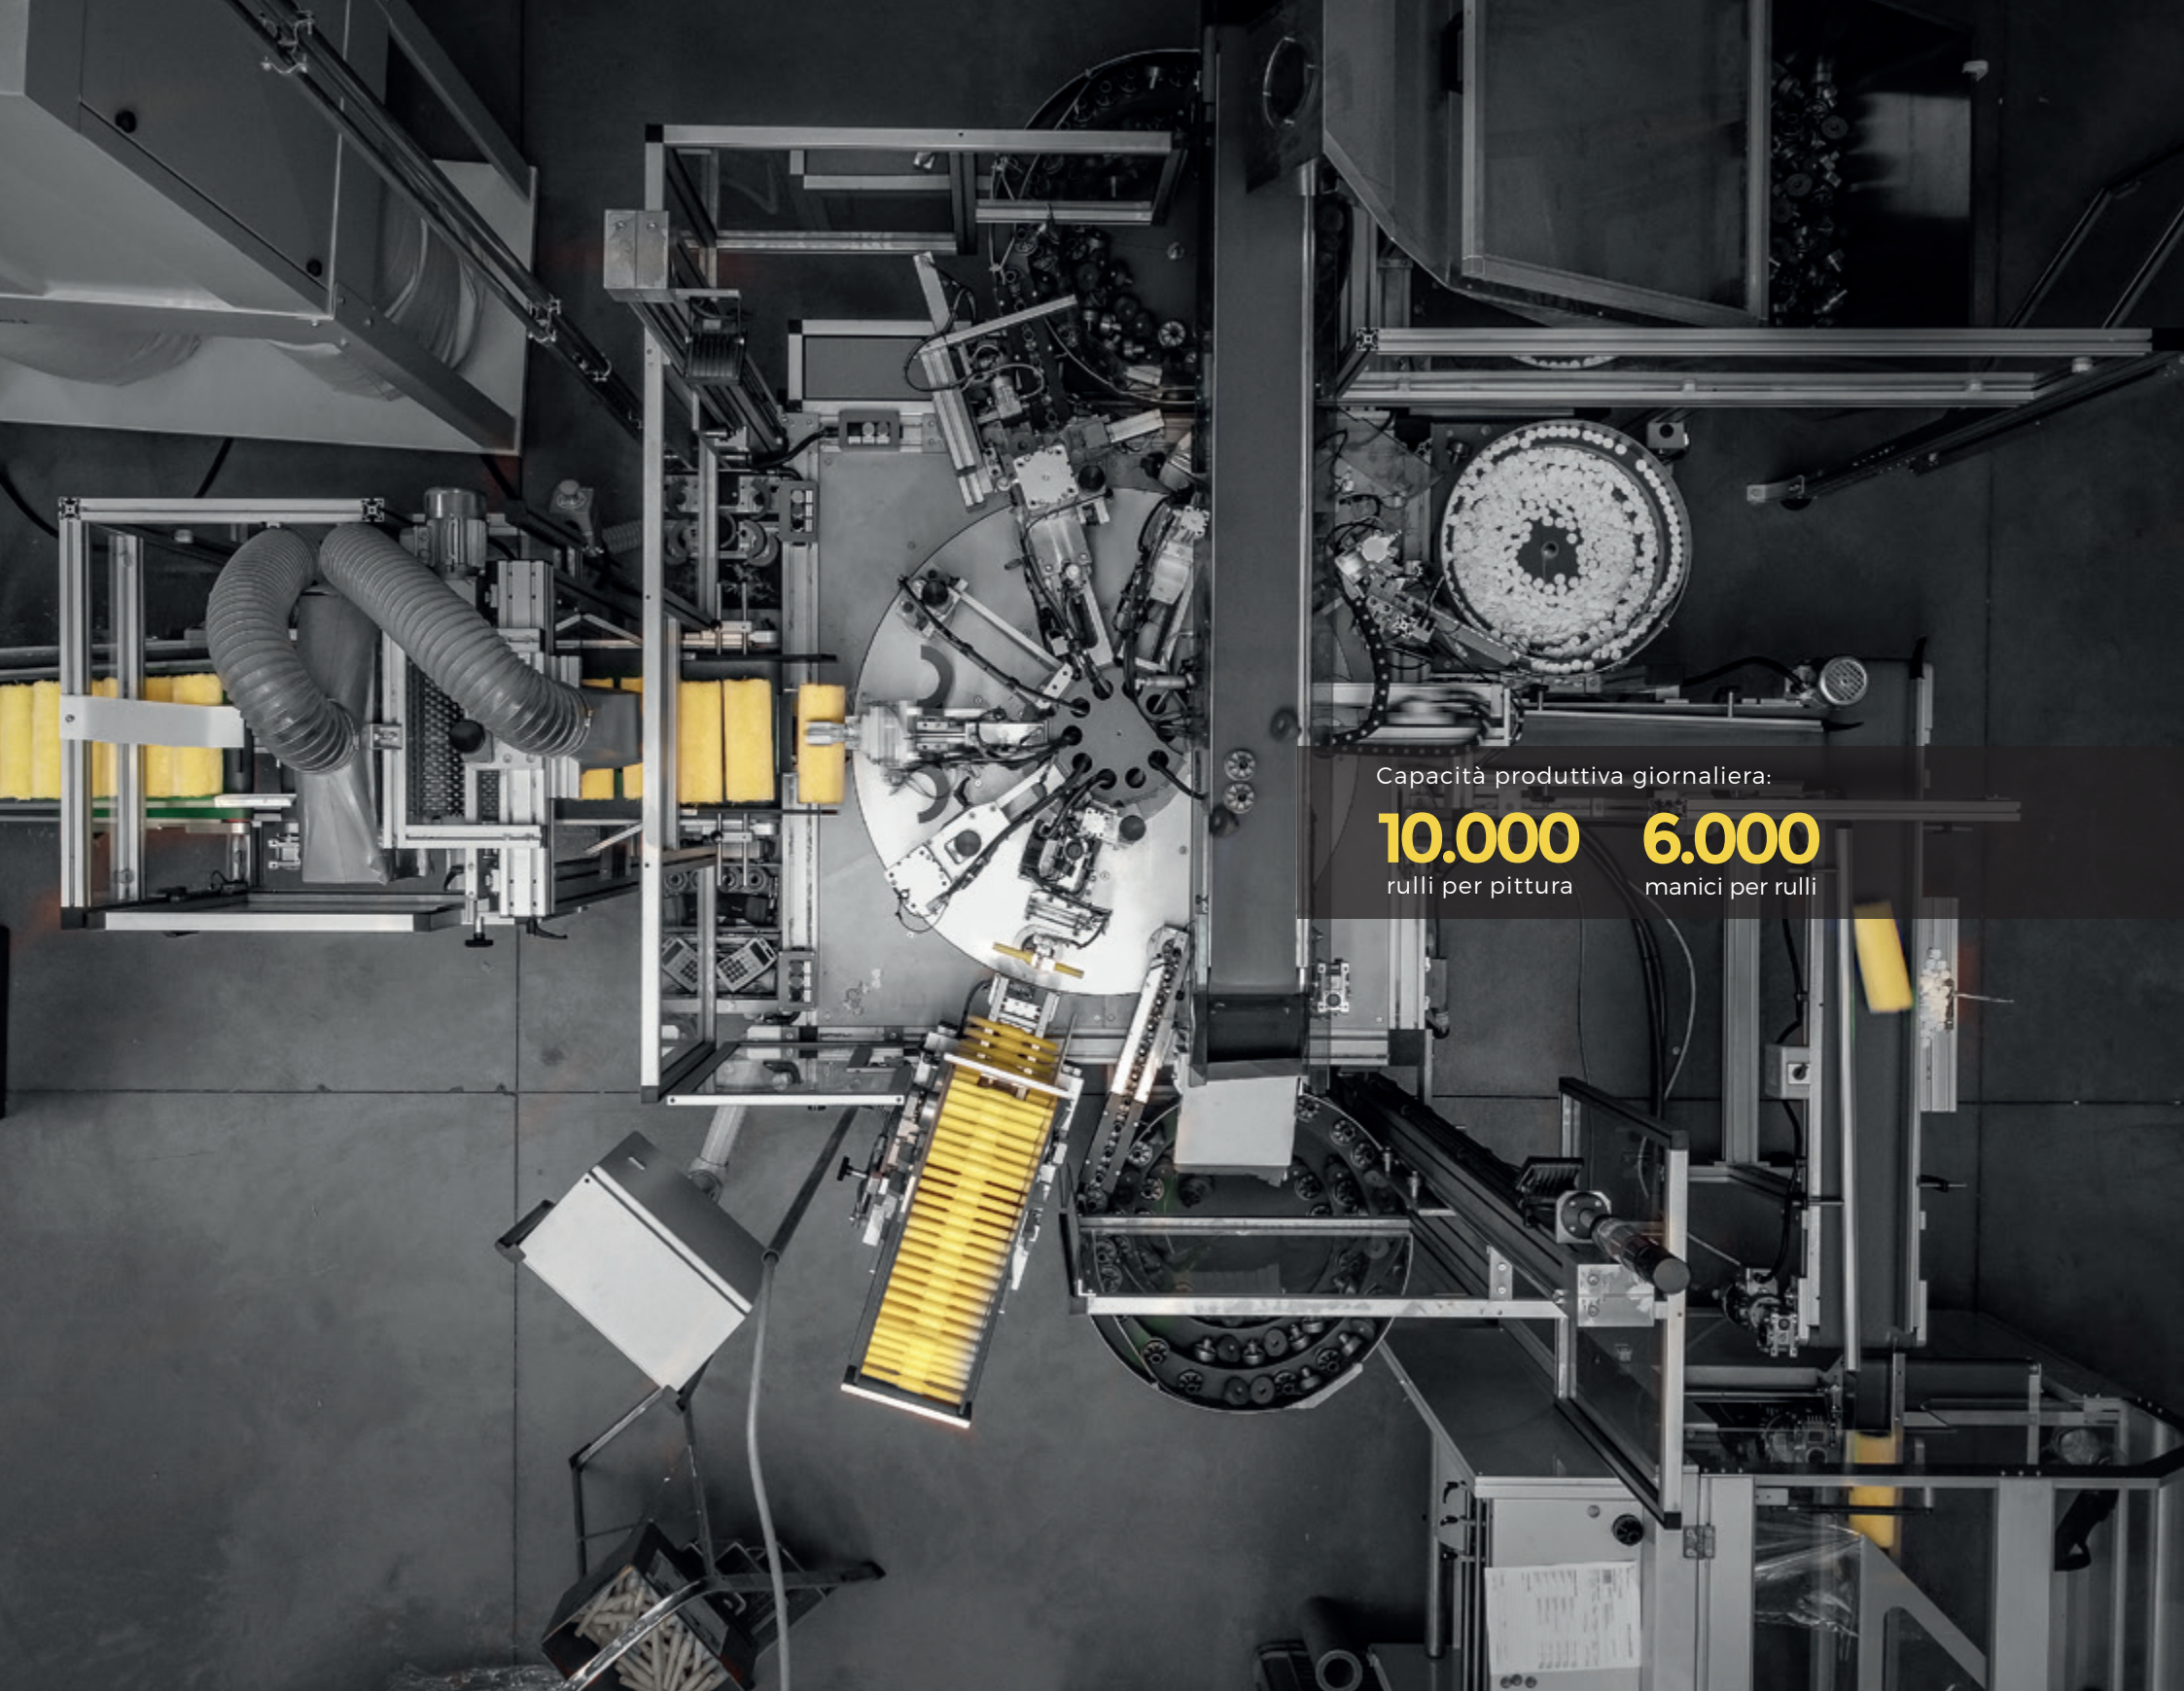

### **Always original and specialized ...**

We have created an entire universe around the pursuit of innovation, offering products that stand out for their originality and functionality, bringing real benefits to users.

Pennelli Boldrini was founded in the middle of the last century with the aim of creating valid and specialized tools at advantageous prices. **Innovation and manufacturing capacity are the cornerstones of our success on national and international market.** From the first paint rollers produced in Italy, passing through the decorative tools that have made us known and appreciated all over the world, for over seventy years we have been committed to developing products and commercial solutions that allow our customers to obtain the maximum result from their work.

## PENNELI BOLDRINI: paint rollers and handles production

### **Over 70 years of experience...**

Since the early 1950s we have been producing paint rollers for the Italian and international market, establishing ourselves as one of the most historic producers of rollers in Europe.

Today our company boasts a modern and automated production. A completely internalized process, which starts from the design of the components, to the study and physical test of the most performing fabrics.

**We regularly invest in order to always be at the forefront in the sector and be able to offer our customers a high-performance and reliable product that exceeds the limits of standard materials, ensuring the best result on any surface.**

## PENNELLI BOLDRINI: paint brushes and decorative tools production

**Boldrini is high quality, Made in ITALY.**  
For over 40 years, Pennelli Boldrini has been the absolute reference for the study and production of decorative tools, of which we hold the original patents and utility models.

We have always believed that producing our tools in Italy is an indispensable strength. We are proud of the unrivaled ability that distinguishes Italian craftsmanship all over the world and we try to interpret it as best we can. For this reason, in our brushes and decorative tools, we combine the production capacity of modern machinery with manual processing and controls, which allow us to keep our quality standard always at top of th catagory.

## PENNELLI BOLDRINI: warehouse and logistics

### **Punctuality and service ...**

Customer satisfaction is our main concern, which is why we invest every year to improve our logistics and always be fast and complete.

Our new 3,500 m2 logistics facility, fully computerized, allows us to easily manage high flows of materials, speeding up shipping times and significantly reducing any errors.

**We ship orders daily to 40 countries around the world, striving to guarantee our customers the best possible service.**

## PENNELLI BOLDRINI: commitment to sustainability

Our company is actively committed to reducing its environmental impact. In this regard, we have embarked on a path that includes the following activities:

**Sustainable energy sources:** we internally produce most of the energy consumed, through a photovoltaic system.

**Reduce our consumption:** we have invested in the modernization of our lighting and heating systems, to significantly reduce energy consumption.

**Sustainable raw materials:** we offer to our customers a selection of tools produced with materials of recycled origin or from renewable sources.

**Waste reduction:** We are committed to reduce non-recyclable waste materials generated by our business by 40%.

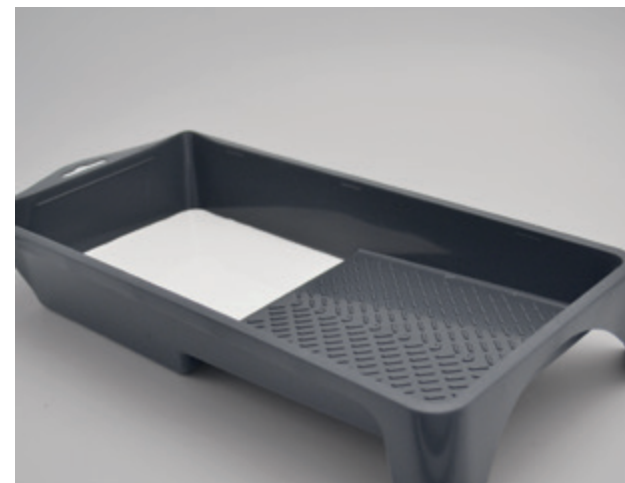

**Pearl finish rollers:** special rollers for high-level finishes, free from imperfections.

# 1. PAINT ROLLERS

Our company is proud to present his renewed range of RollFit paint rollers, which wants to be an absolute reference for the sector. Rollers of the highest quality, entirely produced in our factory using exclusive fabrics and innovative solutions.

A new way of understanding the roller, no longer as a simple tool for applying color, but as an indispensable ally for the applicator.

## New packaging in recycled paper

---

With the aim of **reducing the environmental impact of our products**, the unnecessary pollution resulting from plastic packaging and the waste of raw materials, we have opted for a new packaging in recycled cardboard. Biodegradable and recyclable, it allows us to significantly reduce the kg of plastic we put on the market.

## 2. CEILING BRUSHES

**We work every day with the aim of simplifying the work of the end user.** With this target, we have developed our new range of ceiling brushes, a selection of reliable and performing tools, suitable for professional and hobby use.

Renewed in content, image and packaging, the new range of Brushes Boldrini is at the absolute forefront in terms of performance, appearance and commercial solutions.

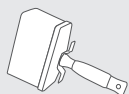

Absorption	<input type="checkbox"/>

Effects No limits

## 4. DECORATIVE TOOLS

**Effects No Limits has always been synonymous of decoration, special effects and special applications.**

Since the early 80s, with our patents and original rollers for decorative effects, we have indelibly marked the evolution of the decoration sector.

Even today, Effects No Limits instruments are the best known and most imitated in the world.

**UNA PERFETTA SOLUZIONE  
PER GIUNTI E LASTRE, TRAMITE  
L'UTILIZO DI PERTICA TELESCOPICA**

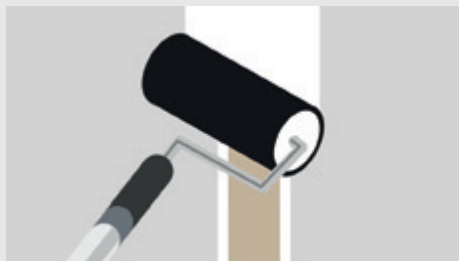

Metodo innovativo

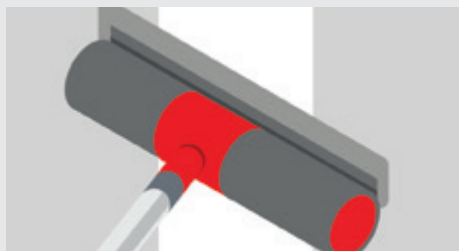

1. Apply the plaster on the joints with the 8 cm roller, working starting from the center upwards or downwards.

2. Apply the net or paper using the 10 cm DecoLiss spatula and smooth the excess of plaster.

3. After drying, apply a second coat of putty using the 18 cm roller.

4. Smooth with the 30 cm DecoLiss spatula, from top to bottom.

## 48000 Professional TAPING SET

Set for grouting joints and corners between plasterboard sheets

- Contains:**
- Spatulas DecoLiss cm 10 and cm 30

1. Apply the plaster on the wall evenly using the 22 cm roller.

2. Smooth the plaster using the ParfaitLiss spatula to the extent most suitable for the surface to be treated.

## Parfait Liss original

**BIFLEX technology:** uses an exceptionally flexible blade combined with a rigid stop which guarantees perfect linearity.

It allows you to smooth large surfaces perfectly and without burrs in a short time.

Available in large sizes up to 100 cm.

It can be used with a telescopic pole, it avoids the use of the ladder and allows a uniform finish of the entire surface.

## 51000 Professional FINISHING SET

For applying and finishing of stucco on large surfaces

### Contains:

- Spatulas ParfaitLiss cm 10-25-45-60
- Pole Parfait-Liss 1 m
- Rollers for stucco cm 8 and 22

## 6. LAYOUT SOLUTIONS

We offer our customers the most advanced merchandising and exhibition layout management service on the market. A fully customizable display system, which can be adapted to the specific needs of each store.

The unique and original didactic exhibition, complete and rational, which simplifies the management of spaces by maximizing the profitability of each dedicated linear meter.

CSB is the exclusive display system that Boldrini makes available to its customers. The unique and original educational exhibition, which allows you to rationalize spaces and assortments, reducing waste and inventory. CSB guarantees a sure increase in sales and simplifies the restocking and management of the exhibition spaces.

Centro Specializzato Boldrini

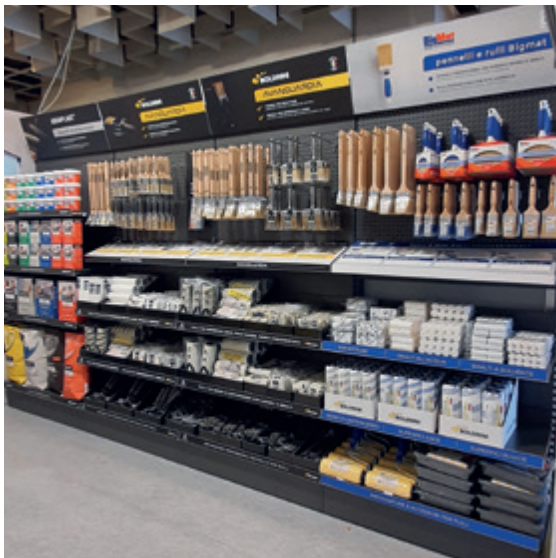

Esposizione chiavi in mano

Garanzia di massima redditività

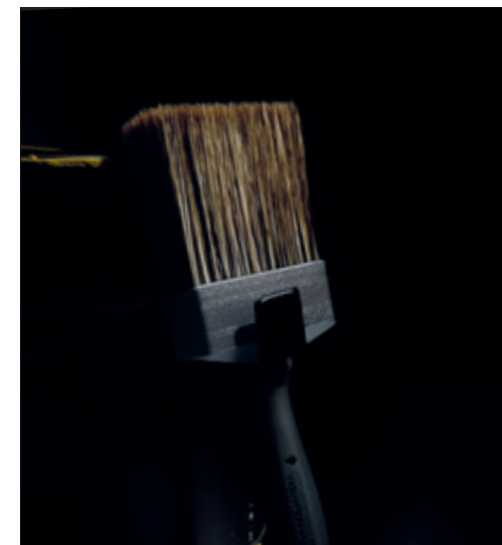

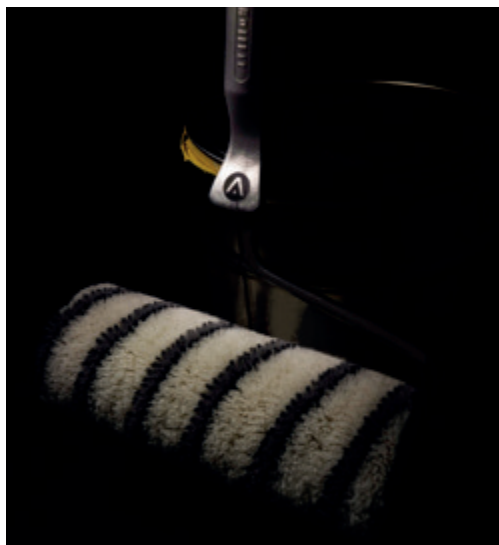

Clienci 100% soddisfatti

- Simplify inventory management by reducing warehouse stocks.
- It improves the aesthetics and teaching of the exhibition making it more attractive to the end customer.
- Maximize profitability per linear meter by eliminating wasted space.
- Provides real sales support.

  
AVANGUARDIA

## PENNELLI BOLDRINI Avanguardia

The definitive product range for the professional

New updated catalog

**Avanguardia:** an ambitious idea, a new way of understanding the instrument at every stage, from display on the shelf to use on site. An unprecedented success, which tangibly marked the market.

At Boldrini we have created an entire universe around the search for innovation, trying to propose solutions and products that stand out for their originality and functionality.

**Avanguardia is the pinnacle of this research, the result of seventy years of experience, in contact with retailers and users. The ultimate solution to meet the needs of the store and the professional applicator.**

### CONDIZIONI GENERALI DI VENDITA

**Gli ordini vengono assunti sempre salvo approvazione della casa e alle sotto indicate condizioni che si intendono accettate dal committente. Il presente catalogo annulla e sostituisce qualsiasi altro in Vostre mani, non è da ritenersi impegnativo e potrà subire modifiche anche senza preavviso, al fine di migliorare le produzioni.**

Eventuali contestazioni verranno prese in esame solo se presentate entro i 5 giorni dal ricevimento delle merci.

**IMBALLO:** gratuito. Verranno fatturati al costo solo gli imballi speciali. Ci riserviamo di modificare le dimensioni degli imballi, a seconda delle esigenze.

**RESI MERCE:** non si accettano resi se non preventivamente autorizzati dalla Pennelli Boldrini.

**GARANZIA DI QUALITA':** i prodotti Boldrini sono garantiti da difetti di materiale o di fabbricazione. In ogni caso tale garanzia non potrà mai andare oltre la sostituzione gratuita del pezzo riscontrato difettoso, ogni altra spesa o indennizzo esclusi. La presentazione di qualsiasi reclamo, non dispensa il compratore dal pagamento della fattura alla scadenza stabilita.

NB: per altezza di setola o fibra, si intende la misura di setola utilizzata e non la misura riscontrabile fuori ghiera.

**PAGAMENTI:** la R.B. respinta annulla eventuali ordini in corso. Trascorso il termine stabilito per il pagamento, decorreranno gli interessi commerciali. Fino al pagamento totale, la merce si intende di riservato dominio a favore della Pennelli Boldrini. La merce non interamente pagata non potrà essere sottoposta a pegno e se dei terzi facessero valere diritti su tale merce, l'acquirente dovrà darcene tempestiva informazione.

**CONTROVERSIE:** per qualsiasi controversie, anche se originate dal compratore, unico tribunale competente a giudicare sarà quello di Mantova.

**PREZZI DI LISTINO:** i prezzi di listino sono IVA esclusa.

**CLAUSOLA REVISIONE PREZZI:** i prezzi del presente listino potranno subire modifiche all'atto della spedizione qualora, nel periodo intercorrente fra assunzione ed evasione dell'ordine, siano intervenute sostanziali variazioni degli elementi di costo.

**I TERMINI DI CONSEGNA:** anche se concordati non sono vincolanti. Eventuali ritardi, anche se non dovuti a cause di forza maggiore, non potranno comunque mai dare diritto a rimborso di spese o indennizzi a qualsiasi titolo richiesti.

**ORDINE E RISPETTO DELLE CONFEZIONI:** gli ordini devono rispettare i minimi imballi indicati a catalogo.

Nel caso di evasione incompleta ci riserviamo la facoltà, a nostra discrezione, di effettuare la spedizione anche parziale o di attendere un nuovo ordine.

**RESA DELLA MERCE FRANCO ITALIA:** Porto franco per ordini superiori a € 400,00 al netto di sconti. Per ordini inferiori, saranno addebitate le spese di trasporto in fattura.

**RISCHI NEL TRASPORTO:** la merce viaggia sempre a rischio e pericolo del committente. In caso di avarie, furti, manomissioni e ammanchi, il destinatario dovrà rivolgersi esclusivamente al vettore.

### GENERAL SALES CONDITIONS

**Orders are always accepted "subject manufacturer's approval" and subject to the conditions set out below that the customer is deemed to have accepted.**

**PRICE REVIEW CLAUSE:** The prices on this price list may be changed at the moment of dispatch if in the period between acceptance and dispatch of the order cost factor have significantly changed.

**TERMS OF DELIVERY:** In any case, they aren't binding. Any delays, even if they are not due to force majeure, can never give entitlement to refunds or any kind of compensation.

**ORDER AND PACKAGING:** The orders must be delivered in the packaging specified under the heading PACKAGING. If an order is

incomplete, we reserve the right to carry out a partial delivery or to wait for a new order.

**MINIMUM ORDER:** to agree.

**TRANSPORT COSTS:** to agree.

**CARRIAGE RISKS:** carriage is always at the customers risk. If the goods are faulty, stolen, tampered with or incomplete, the recipient must contact only the shipper. Any complaints will be considered only if made within 5 days from receipt of goods.

**PACKAGING:** free. Only special packaging will be invoiced at cost. We reserve the right to modify the dimension of packaging to suit requirements.

**RETURNED GOODS:** returned goods are not accepted unless the return has been agreed beforehand by Pennelli Boldrini.

**QUALITY GUARANTEE:** Pennelli Boldrini equipment is guaranteed against material and manufacturing defects. In all cases, this guarantee can never cover more than free replacement of the defective piece. All other expenses or compensation are excluded. Complaints do not entitle the buyer to refuse to pay invoices when they fall due.

**PAYMENTS:** To agree.

**CONTROVERSIES:** for any controversy, even if they originate by the purchaser, the court of Mantova (Italy) has sole jurisdiction.

**PRICE LIST:** listed prices are VAT excluded.
